Agenda Item: Inclement Weather Make Up Days - Revised

2013-2014 School Calendars for Specialty High Schools

Staff Liaison Present: Dr. Deborah Pitman Phone #: 560-2554

Jim Key560-2597Kendra O'Neal-Williams560-3699

Main Points:

- At the request of the three specialty high schools, administration recommends the inclement weather make up modifications to 2013-2014 Small Specialty High School calendars. On the original calendars, spring break days serve as the inclement weather make up days which also double for annual leave days for faculty and staff.
- Modifications are recommended to mitigate the impact of losing spring break days and to provide the School Improvement Teams the opportunity to determine which make-up dates are best for their school's community and unique calendar.
- The attachment highlights the modifications proposed for each specialty high school. In addition, calendars are provided for reference.
 - -City of Medicine Academy
 - -J.D. Clement Early College High School
 - -Middle College High School
- Administration is presenting for board approval.

Fiscal Implications:

None

Strategic Plan Alignment:

• Goal 1.2- DPS will expand opportunities for academic acceleration to eliminate achievement gaps and ensure annual student growth as measured by district, state, and local assessments.
